

17. DEEP CREEK SPRING WILDFLOWER WALK

**Terrain: Easy
circuit**

Distance: 4.7 km

This is just one of the many walking trails in Deep Creek Conservation Park. The Spring Wildflower Walk is classed as 'easy', although there is one steep section at the start. An alternative is the shorter Forest Circuit Walk. Parking within Deep Creek Conservation Park requires payment of a modest fee. This can be done online or at the Delamere Store. Perhaps make it a day trip and take a picnic lunch. At the time of writing, a Day Pass is \$11, or \$9 concession, per vehicle.
